FOR NON-COMPETITORS

We offer the option for family members or friends to follow the adventurers in Western Mongolia. The non-competitors will have the choice to choose between two activities from horse riding, riding a Bactrian camel (the traditional Mongolian camel), trekking and mountain biking. Otherwise, the non-competitor will benefit from a transfer in 4x4 between each campsite. More, we organise cultural visits in Tsambagarav National Park. Non-competitors will feel as though they are travelling in another century. In a country where 30% of the population live in nomadic tribes, sleeping in a circular felt ger - or yurt, as they are known in much of Central Asia - is just one way to experience local life. This vast, stunning country is awash with dramatic mountain scenery, a fascinating and ancient culture. The non-competitors will visit commemorative monuments of the Ancient Turks, have the chance to meet a warm and welcoming population.
